Solid Waste Coordinator

110 N. Main Street

Morgantown, KY 42261

Phone: (270) 526-3433

Fax: (270) 526-5001

The Butler County Solid Waste Office directs the Butler County Litter Abatement and Clean Up programs. The office can also be of service to any citizen who wishes to dispose of old appliances, leftover paint, oil, antifreeze, and abandoned cars or has questions about other solid waste issues.

How do I get rid of oil or antifreeze?

If you have oil to dispose of oil or antifreeze the AutoZone Stores and Quick Lube in Bowling Green will accept up to 5 gallons of used oil per week per person at no charge or fee and they will recycle it.

Citizens wishing to dispose of antifreeze in an environmentally safe manner and can bring it to both the Butler County Road Departments; both recycle it for use in their equipment.

How do I dispose of leftover paint?

Leftover paint is a common problem, but it can easily be disposed of in your garbage if it is a solid.

Simply remove the lid of the can to air-dry the paint. You may need to add kitty litter, paint hardener or other drying agents to the paint to allow it to dry faster. Once the paint is a solid, you may throw it away with your regular garbage. Be sure to leave the lid off the can to show the waste hauler that the paint is dry.

Notes:

Solid waste is household trash that in the past has gone to landfills. By recycling, a considerable amount of the solid waste that would end up in landfills can be eliminated.

The Caldwell County recycling center is now located at 200 Eagon St. Princeton KY 42445. The recycling center currently accepts newspapers, magazines, corrugated cardboard, office paper, clear glass, tin and aluminum cans, and #1 and #2 plastic (milk jugs and drink bottles).

The county will also accept oil, for recycling, at the County Garage (945 Sandlick Rd, Princeton) on the 3rd Thursday of each month.

For questions regarding recycling, illegal dumping, or any other solid waste issues please contact Lynn Williams at 270-365-5199 or through the Judge Executive's office at 270-365-6660.

Notes:

For university staff and students only. Murray State University Recycling Program consists of education, promotion, cooperation and recognition. The success of these processes requires the services and cooperation of the Department for Facilities Management personnel. Those specifically involved include staff in the Building Services Division, Grounds Division, Transportation Services, Facilities Finance and Administration and the Office of Environmental Safety and Health. The University most actively recycles paper, cardboard, plastic and aluminum cans. In addition, it recycles more than 30 other items. Recycling at Murray State is a two-part process: Your Part and Our Part. Your Part - Source Separation
There are three containers next to most desks at Murray State: A blue container for white office paper. A red container for mixed office paper. A neutral (tan, brown, green, etc.) container for trash. Your part in this process is source separation. Source separation is the key to Murray State's recycling success. Sorting paper at your desk is a key factor in the success of the University Recycling Program. Placing the cardboard in the bin is done most efficiently, if you break the box(es) down first. If you have numerous boxes to remove, please call the Recycling Line at 809-3183.

Notes:

Trash and Recycling Collection

New Changes to Trash and Recycling Collection Coming July 1, 2017

Beginning July 1, 2017 recycling collection will be available to all residents at no additional cost and trash moves to once a week collection. Recycling will be collected on the same day as trash. All Newport households currently have a Rumpke 95-gallon trash cart. (Residents may choose to use their own trash containers as long as it has a lid.) Residents will receive a 65-gallon recycling cart delivered to their home the last week of June 2017. All residents will receive a flyer mailed to their home detailing the changes and explaining what is acceptable in recycling collection and a postcard advising residents what their new collection day will be. You can also check the searchable map or the neighborhood overview to find your new collection day.

Large Items, Appliances, and Beg Bugs

- If you have a piece of furniture or other large item or excessive amounts of trash, please call Rumpke (1-877-786-7537) at least 24 hours before your regularly scheduled collection.**
- Television sets cannot exceed 32 inches for curbside pick-up. Watch for special disposal options during Litterfest in the spring and fall.**
- Any mattress or upholstered furniture that may be contaminated with bedbugs must be encased in disposable plastic for removal.**
- Carpet should be rolled and tied or duct taped in sections not longer than four feet in length.**
- Appliances containing refrigerant (such as air conditioners or freezers) must have the Freon removed by a certified technician and be marked with the appropriate sticker before being placed out for curbside collection.**
- According to Federal law, Rumpke is not permitted to accept batteries, tires, liquids, combustible materials or any items identified as hazardous.**

Materials: GL, AL, PL(HDPE, PET), OCC, ST CANS, MRP

Notes:

ACCEPTS: Glass Bottles & Jars (all colors)

- Metal Cans: aluminum cans, steel cans and lids, empty aerosol cans with the lids and tips removed**
- Plastic Bottles : bottles and jugs that have a small mouth and wider base, such as milk jugs, soda bottles, laundry detergent bottles, water bottles, shampoo bottles and contact solution bottles**
- Paper : newspaper, magazines, cardboard, mixed office paper and envelopes, paperboard (cereal boxes), pizza boxes free of food debris and grease, telephone books and catalogs**
- Cartons : food and beverage cartons, such as milk, juice, soup, wine, broth and other cartons.**

Recycling Tips

- Mix all items together – no separation required**
- Empty all bottles, jugs, and cans**
- No need to remove labels**
- For plastic bottles, empty, crush and reattach lids**
- For cartons, remove plastic caps and straws**
- NEVER place medical sharps or needles in the recycling dumpster**
- DON'T use plastic bags**

NOT for Recycling

No plastic bags, cassette tapes, bed sheets, hangers, metal chains, garden hoses, batteries, needles, syringes, electronics, polystyrene foam, buckets, butter tubs, car parts, food, yard waste, light bulbs, drinking glasses, ceramics, pots, pans, and scrap metal

Serves: REGIONAL

2316 Highland Ave

Carrollton KY 41008

Type: COMMERCIAL RECYCLER

Function: DROPOFF

Materials: GL, OCC, OPSORT

Notes:

PMC Organometallix's flagship manufacturing facility in Carrollton, Kentucky, USA is one of the largest facilities of its kind in the world, employing a staff of about 145 people. Initially established in 1958, the site has a long history of organometallic chemical production. PMC Group has recently invested significant capacity expansions and additions to consolidate Cincinnati operations into Carrollton.

The plant manufactures Thermolite® and ADVASTAB® organotin stabilizers, FASCAT® catalysts, and fine chemicals including Grignard reagents. An experienced technical team leverages development labs and a pilot plant facility to provide solutions for customers worldwide.

The local community of Carrollton, Kentucky is a stakeholder in the business and site. As such, PMC Group participates in a Community Advisory Panel that maintains a budget for community projects, such as scholarships, shelter-in-place kits, etc. Other community support activities include local emergency planning, hosting an annual household hazardous waste collection and recycling event, and providing a recycling center for the community.

Recycling Center, LLC

7635 Pembroke Rd

Pembroke, Ky 42266

Office Phone/fax:270-475-4808

Recycling Center, LLC was owned and operated in Pembroke, Ky by Ralph Combs for 20 years. It was purchased from his daughter Rachel, in September of 2009 by myself, Kevin Covington. I continued to operate as Ralph did, running the business while also farming and working with my brother at our family grain business.

In the fall of 2010, Recycling Center LLC acquired Ky Waste Paper of Hopkinsville, Ky. It was owned and managed by Terry Bullock for more than 20 years. Both companies have developed great working relationships with local businesses and factories, handling their cardboard and paper.

Materials: AL, FE, NONFE, CARBAT, ST CANS, WHITE, ESCRAP

Notes:

First Time Selling Scrap Metal To River Metals Recycling?

It's a cinch. Simply drop off any ferrous scrap (metal that sticks to a magnet like iron, steel or an automobile) or nonferrous scrap (like aluminum, copper, brass, and wire) and get paid in cash. It's a great way to make money, while helping to preserve and protect the environment.

Become a valued customer today!

Bring your scrap in your car, truck or trailer. Get it weighed at our certified scales. Unload, and then get paid our competitive current market scrap prices at our self-service ATM.

Before your Load Your Material

- 1.Review our Scrap Specifications list of what don't buy or items that must meet special conditions.**
- 2.Find the location nearest you. Call us for current day scrap pricing!**
- 3.Review the yard layout.**
- 4.Get Directions to the facility nearest to your home or office.**

We Buy Old scrap metal items, like the ones you might have around your house.

- 1.Arrive at our facility, where a greeter will direct you (in most locations) to the ferrous or nonferrous area of the scrap yard based on what you've brought in that day.**
- 2.Drive onto our scale with your scrap and present a valid photo ID, receive your weigh in ticket.**
- 3.Proceed to the unloading area and remove the scrap metal from your vehicle. Please note, to keep our prices competitive, we may not have staff available to assist with unloading so if it took two people to load it, bring them along for help in unloading.**
- 4.Go to the weigh out area, and we'll give you a ticket based on the scrap's weight and current scrap prices.**
- 5.Take your ticket to the ATM follow the instructions on the kiosk and get cash for your scrap!**

Serves: STATE

847 Angliana Ave

Lexington KY 40522

Type: COMMERCIAL RECYCLER

Function: PROCESS, BROKER, OTHER

Materials: OCC, OPMIX, OPSORT, ONP

Notes:

As a regional recovered-paper processing and distribution facility, we help area businesses and municipalities identify, collect, and market recyclable paper, plastic, and metal products. We provide free consultations regarding new and existing material-recovery programs, helping clients determine what the material is and how it can be packaged effectively to produce the greatest return.

•We market large volumes of recyclable materials on national as well as international markets, helping you get the best prices for your materials. If you're looking to start a recycling program, we offer services, equipment, and supplies that support turnkey recycling programs. You can get started quickly, with minimal capital investment. Our facility is conveniently located near downtown Lexington, just minutes from I-75 and I-64. We can accommodate small and large loads, bulk dumps and tractor-trailer loads. Materials can be delivered loose, gaylorded, skidded or baled. Our services include pickup of loose, baled, or palletized recovered paper. We also process, market, and broker all wastepaper grades.

Notes:

PAPER RECYCLING PROGRAM FOR GOVERNMENT AGENCIES ONLY.

KGRS staff provide weekly collection of many types of paper and cardboard, as well as confidential document destruction, to state agencies within Frankfort. KGRS staff can provide agencies with information on how to purchase containers for collection of white office paper, lockable containers for confidential document destruction, newsprint and mixed paper. Employees should separate material at their workspaces and then place it in the appropriate collection container staged in a central location in each office. Each cabinet should also assign a coordinator for each building to be the point of contact for working with the KGRS staff.

Garbage & Recycling

Garbage, Special Pick Up & Yard Waste

Sanitation & Recycling Service

The City of Fulton contracts with Freedom Waste in Mayfield, Kentucky to perform trash and special bulk pick up.

•Carts should be placed at the curbside no earlier than the night before pick up and removed the evening after.

•Carts should be placed 3-4 feet apart & away from other obstructions, with the cart bar facing the roadway.

•Cart Pick Up is scheduled for °West Side of Town on Tuesday

°East Side of Town on Thursday

•Bulk Pick Up: Is done every second and fourth Mondays. Per city ordinance items may not be placed on the curb for bulk pick up until the Friday before the Monday pick up.

•Yard Waste such as grass and leaves may not be deposited on any sidewalk or city street. There is a fall leaf collection done by Public works.

Type: GOVERNMENT FACILITY

Function: CURBSIDE

Materials: GL, AL, PL(HDPE, PET), OCC, OPMIX, OPSORT, ST CANS, ONP, MRP

Notes:

Curbside Pickup

Henderson 5 Day Route Plan

The City of Henderson will have their recycling picked up on a bi-weekly basis. It will be picked up on your normal trash day every two weeks. Please call the number above to see when recycling will be picked up for your particular address. Place your recycling cart at the curb before 5:00 a.m. or the night before your pick-up day. Place the cart with the handle facing your house.

Items do not need to be separated. Rinse any container that had food or beverage in it and put all your recyclables into the cart. Please bag your paper items, i.e. newspapers, junk mail, school papers, magazines, etc.

Do not force cardboard or other material into the cart. It can become wedged and prevent the cart from emptying completely.

Wet recycling materials may freeze to the inside of the cart during the winter months. Please keep the material dry

Notes:

Recycling Management Resources (RMR) is a plant-based recycling group focused on maximizing its client's revenue generation from recyclable paper, plastic and metal scrap. We specialize in setting up industrial programs for Segregation, Collection and Movement of Recyclable Materials throughout North America and Europe with networks and customers all over the world.

With plant locations in Atlanta, GA, Raleigh, NC, High Point, NC, Louisville, KY, Barton, AL, and Philadelphia, PA, Wilmington, DE, Camden, NJ, and Richmond, VA; RMR is strategically located in order to provide plant services to it largest supply markets. All of our plants are equipped with roll cutters, shredders, and balers which provides the ability to service any and all needs from document destruction to warehouse or salvage cleanouts. With our own tractors and over 400 53' van trailers, on time service is a top priority.

Notes:

Residential recycling in Kenton County has been made convenient by the addition of recycling bins located throughout the county. Residential recycling is a fast growing segment of NKY life and government. The following 3 recycling locations have been provided by the Kenton County Fiscal Court.

Lincoln Ridge Park

420 Independence Station Rd.

Independence, KY. 41051

Items accepted in the bin are aluminum cans, paper, plastic and glass containers

On the first Saturday of every month "open dumping" is available from 9am - 2pm. Non-hazardous trash will be accepted. 4 tires per resident (unless otherwise noted).

Pioneer Park

Madison Pike

Covington, KY 41017

Pioneer Park currently has 2 bins on site

Items accepted in the bin are aluminum cans, paper, plastic and glass containers

Ryland Heights City Building

10145 Decoursey Pike

Ryland Heights, KY 41015

Items accepted in the bin are aluminum cans, paper, plastic and glass containers

Notes:

Cumberland Scrap Processors recycles multiple commodities of ferrous and non-ferrous metal at our facility in Russellville, Kentucky. We buy scrap metal from local, drive-up customers, as well as from commercial, industrial and demolition clients. The scrap metal is processed and shipped to steel mills, foundries, and smelters via barge, rail and truck. We offer more competitive pricing to our customers due to our well trained team, which enable us to find the best markets for each type of metal.

Notes:

Curbside Collection

The Madison County Recycling Program consists of approximately 2600 homes, in 70 neighborhoods, and three schools. Our recycling truck collects the recyclables here and transports them to the Lexington-Fayette Urban County Government (LFUCG) sorting facility where they are processed and marketed. LFUCG pays Madison County for the previous months goods. Records of the program are collected and kept on file in our office. For the calendar year 2016, we collected 417 tons, which is an outstanding amount, considering the program recently started in February of 2012. Madison County Fiscal Court offers this service free to the citizens who live outside the cities of Richmond and Berea and whose neighborhoods are participating in the program. To see if your neighborhood participates, **Electronics Recycling:**

Bins for the recycling of electronic items are located at 208 Clarksville Lane and sent to Winchester for recycling. This service is offered free to the citizens of Madison County.

Richmond KY 40475

Type: GOVERNMENT FACILITY

Function: PROCESS, DROPOFF, CURBSIDE

Materials: GL, AL, PL(HDPE, PET), OCC, OPMIX, OPSORT, ST CANS, ONP

Notes:

Our innovative drop chute design makes your visit to the center a pleasant one. Simply open the doors and place materials inside the chutes. The materials are then ready for our employees to gather on the inside. This design saves both time and money

Easy to Read Instructions:

At the center citizens should not have any trouble deciding which chute to drop specific materials into. The green pull chute doors are labeled to guide users to the proper chutes. The green trash cans located by the chutes are for those items accidentally brought to the Center that are not recyclable such as: Plastic containers that are not #1 or #2, and #3 – #9 trash, brown plastic containers such as root beer bottles, or any type of glass or ceramic dishes.

Jimmy and Carol Butler opened Butler Recycling in its current location just outside Maysville, KY in 1997. Their goal was to provide excellent service and competitive prices to their customers as well as make a positive impact on the community. After thirteen years in business, Butler Recycling continues as a family owned business providing excellent service and the highest prices for nonferrous metals. Since opening, Butler Recycling has donated thousands of dollars to local charitable organizations in order to better our community.

Notes:

Recycling Drop-Off Facility through Freedom Waste

As part of its contract with Freedom Waste Service, the City of Paducah offers a recycling drop point location. The location is adjacent to Freedom's transfer station at 400 State Street in Paducah. The facility is open Monday through Friday from 7 a.m. until 3:30 p.m. and Saturday from 8 a.m. until noon. There is no charge for the general public to drop off recyclables.

Note: This facility is closed to the public on the following holidays: Thanksgiving Day, Christmas Day, and New Year's Day. Customers can drive through and unload their recyclables by placing them in one of the large blue containers. Please separate cardboard and place it in the marked bin. All other accepted recyclables can be placed together in the blue single-stream bins. Accepted recyclables include pasteboard (which includes cereal and other similar-type boxes), newspapers, magazines, junk mail, phone books, hardback and paperback books, office paper, tin, steel, and aluminum cans, and plastic containers. Please rinse containers before bringing them to the facility.

Brian Lappin

(859) 292-8400

Serves: COUNTY

4265 Moody Rd

Fax

(859) 292-8495

Paducah KY 42001

Type: COMMERCIAL RECYCLER

Function: DROPOFF, BROKER

Materials: AL, FE, NONFE, CARBAT, ST CANS, WHITE, ESCRAP

Notes:

We Buy Old scrap metal items, like the ones you might have around your house.

1.Arrive at our facility, where a greeter will direct you (in most locations) to the ferrous or nonferrous area of the scrap yard based on what you've brought in that day.

2.Drive onto our scale with your scrap and present a valid photo ID, receive your weigh in ticket.

3.Proceed to the unloading area and remove the scrap metal from your vehicle. Please note, to keep our prices competitive, we may not have staff available to assist with unloading so if it took two people to load it, bring them along for help in unloading.

4.Go to the weigh out area, and we'll give you a ticket based on the scrap's weight and current scrap prices.

5.Take your ticket to the ATM follow the instructions on the kiosk and get cash for your scrap!

Recycling

Please keep in mind that it is the responsibility of the residential customer to clean and care for the recycle bin. If your bin becomes damaged, please contact City Hall immediately. Lids for the bins can be ordered through City Hall, at a cost of \$5.00 each. The customer would be responsible for the cost of the lid. If your bin is stolen, please report the theft to the City of Brandenburg Police Department within forty-eight hours. Also, be advised that should you sell, or for any reasons vacate the premises to which the recycle bin has been delivered, you shall be required to return the bin to the City of Brandenburg.

Here are items that are suitable for recycling.

Newspaper

Aluminum Cans

Tin Cans

Plastic items such as milk jugs and 2-liter bottles (clean, with no lids)

**** No clear glass, window panes or auto glass**

•Pendleton County Road Barn

◦E-scrap (electronic) including computers and devices (all types), power supplies, printers, cords, and chargers, may be taken to the Pendleton County Road Barn on Hwy 330. Drop offs accepted Monday thru Friday 7:00am to 3:00pm. We can NOT accept televisions or old style (CRT) computer monitors. If they are 36" or less, set them curbside for Rumpke to pick up. If the items are larger, utilize FREE day at the landfill every 2nd Saturday for disposal.

◦Used oil and antifreeze may be taken to the Pendleton County Road Barn Monday through Friday 7:00am to 3:00pm. The Solid Waste Department also accepts old batteries, paint and propane tanks.

•Rumpke

◦There are six mobile drop off recycling bins located in Pendleton County located at Northern and Southern Elementary, Pendleton County High School, Sharp Middle School, Pendleton County Animal Shelter, and Limestone Farm Lawn Worksite. Map of Recycling Centers in Pendleton County. They accept cardboard, newspaper, magazines, glass; steel food cans, aluminum cans, plastics (no.1 & 2).

◦Free Day at the Landfill for Pendleton County Rumpke customers or residents of the City of Butler / City of Falmouth. Second Saturday of each month from 7:00am to 11:00am.

◦ANY white goods including water heaters, stoves, microwaves, clothes washers, clothes dryers, refrigerators / freezers, and window air conditioning units may be dropped off FREE of charge at the Rumpke landfill any time during their normal business hours. You may contact Rumpke for hours of operation at 859-472-7339.

Recycling trailers recently purchased with grant funds have been placed at the Viper Park-and-Ride and the other at the Chavies/Grapevine Volunteer Fire Department. The trailers are available for Perry County citizens to recycle plastic, aluminum and cardboard items for recycling.

Did you know Perry County has an Electronics Recycling Center? This recycling center is located at the Perry County Garage at Christopher. Perry County Fiscal Court and Judge Scott Alexander would like to invite you to bring your used, broken, or unwanted electronics to our Electronics Recycling Center. It is open from 8am to 4pm Monday through Friday. We accept any type of electronics you may have: old computers, TVs, microwaves, stoves, and anything that has or once had a cord. This service is provided to you free of charge.

South Road VFD--2:00 PM Friday until 6:00 AM Monday

Roaring Spring VFD--6:30 AM Monday until 1:00 PM Wednesday

Linton VFD--2:00 PM Wednesday until 1:00 PM Friday

Lakeview Market--1:30 PM Friday until 6:30 AM Monday

White Trailer--Each Week

*** Lake Barkley Maintenance Shop--8:00 AM Friday until 3:00 PM Monday**

Green Trailer #2--Each Week

Trigg County Recreation Complex-- 8:00 AM Friday until 3:00 PM Monday

Wallonia IGA lot-- 8:00 AM Tuesday until 3:00 PM Thursday

Green Trailer #3--Each Week

Kentucky Recycling Facilities By County

TRIGG

COUNTY

*** Caledonia Fire Dept. 9:00 AM Friday until 7:00 AM Monday**

Recycling Center

2759 Hopkinsville Road

Cadiz, KY 42211

(270) 522-0092

The Recycling Center accepts:

Scrap Metal

Aluminum

Plastics (milk jugs, 2 liter bottles, etc)

Office Paper

Newspaper

Metal Cans

E-scrap (computers, printers, etc)

Televisions (additional charge)

Due to market saturation, we can no longer take glass of any color.
